## What's Happening:

Thank you for coming to the parent night. It was so much fun having you in the classroom working hard for your children and bonding with each other. I hope you are enjoying the new ideas and activities. The children turned the pictures of all of you into a book, and we added it to our bookshelf. They were so cute looking at the pictures giggling.

The children are doing well with planning their day first thing in the morning. The schedule change has been very successful along with Ms. Alyssa fitting right in with our little family.

This month we are talking about love and kindness and healthy eating for our body and our teeth. They will even be preparing the muffins for our Moms and Muffins event.

If your child is handing out Valentine's Day cards, please make sure they have 13, as we have 14 children in our class. They can sign their name on the card and try to write their friends names, if they wish. A list of classmates is on the back of this newsletter. This is a perfect moment to practice the verbal path of the new letters. Please do not force them. We can always complete this during our work time. Thank you!

## Special Days:

2/13 - Mom's and Muffins 11:15am

Celebration of family love!

2/17 - 2/20 Intersession

## SNACK TIME

The snacks that have been a huge hit in the past are apples, as well as most fresh fruit and vegetables. Hummus has grown on many of the children, as well. We are talking about portions and healthy eating. I love how they understand food is fuel for our bodies.

## OUTSIDE PLAY TIME

Thank you for bringing in your child's outdoor clothing. We will go out whenever it is possible. The children truly enjoy when we have our outdoor time.

Thank you for entrusting us with your child.  
It is exciting to be partners with you through this educational journey.

Mrs. Nelson and Ms. Alyssa
