What's Happening:

The first day of school is always so exciting and sometimes scary! The children will be learning to work with each other as a community. We will most likely have some leaders, helpers and even some natural caregivers. This week will be all about our classroom routine and talking a lot about safety. We are using letter links which is a name learning system that pairs a child's printed name with a letter-linked picture of an object that starts with the same letter and sound. Every child will choose their own symbol and you will see it with their name labels. This month will be "All about ME!" We are going to be making a classroom book.

Please bring in 2-4 pictures (can be copy paper print) of things that are special to your child. Such as family members, pets or favorite activity.

Special Days:

September 2nd – Labor Day No School

September 12th – Parent Meeting

Sept. 24th - Picture Day!

REMINDERS:

Please sign-up for snack days. Our classroom snack binder is located on the mailboxes outside of the classroom. Please list your name and the snack that you will be providing. You will find suggestions in your parent handbook. Please bring in for 16 children. There is no need for individual snack or juice packaging as we will be serving family style. Thank you in advance for the YUMMY nut free and healthy treats!

We are looking forward to a wonderful school year. Thank you for entrusting us with your child. It is exciting to be partners with you through this educational journey.
