What's Happening:

I am so happy that most of our families could make it to Parent Night. I'm hoping it was fun for you and can help bridge the school conversations with your child.

This past week was super fun, as we made our own orange juice, I'm hoping you already heard all about it. This is an example of how our lesson can take on a whole new direction with questions and interest from the children.

We are going over our safety procedures and will be discussing fire and tornado drills this week. Please ask your child what they learned.

Our "All About Me" posters are almost all in. The children are so proud of their work and we will be displaying them in the hallway once everyone has theirs done.

Special Days:

Sept. 24th - Tuesday

Picture Day!

REMINDERS:

Thank you for the YUMMY snacks this month! Please keep in mind we need to serve healthy snacks and beverages. The fruit and veggies have been a success. Another favorite was the bagels and cream cheese with milk.

We did have a couple of birthdays already, and it is fine to have a treat at school. One friend even had a healthy option at school and a candy to go home.

Don't forget the juice coming in needs to be 100% real juice and the milk needs to be 2%.

Thank you for entrusting us with your child.
It is exciting to be partners with you through this educational journey.

Mrs. Nelson and Ms. Mariah
