## What's Happening:

Welcome back. I hope everyone had a very enjoyable Thanksgiving! I can't wait to hear all about the holiday fun from the children.

Whether you stayed right here in our wonderful town of Davison or you traveled far away, the children always have huge adventures to share.

We have been discussing our five senses, and it has been exciting to see the children connect when they realize they are using them. They are showing interest in measuring and cooking. It will be fun to see where those interests take us especially after experiencing family holiday traditions. This month we will be exploring traditions more closely; snow and Christmas.

Feeding the Community

Thank you for contributing to the Outreach East and taking

the time to join us for the "Parade". It was so wonderful that the Outreach Team allowed the children to see how their operation runs. I truly hope it sparked some great conversation with your child. I was very proud of our class!
