What's Happening:

Happy New Year! I hope everyone had a wonderful holiday break. It is always so much fun hearing about the children's adventures and traditions.

I am excited to introduce the children to a new student that will join us today.

It is a blessing having so much family time during break, movies & popcorn, late bedtimes, extra stories and games. Now we will be jumping right back into "our" daily routine, and you will be expecting your child to be right on board. Please be patient. It may be hard for some of the children, however, they will quickly adjust. I promise!

We will be discussing "Winter" this month. The topics will be about arctic animals, hibernation, and weather: snow, ice and precipitation. It will be fun comparing the animals that we already know with the arctic animals and how they live.

Special Days:

1/6 - Back to School

1/20 - Martin Luther King Jr. Day -
NO SCHOOL

1/30 - Parent Meeting -
Kindergarten Information

COLD WEATHER GEAR -
We love to get outside
when we can!

Don't forget to mark
your child's belongings
with their name or initials.

Please make sure your child's extra clothing was updated and returned after the break.

Thank You!

Thank you for entrusting us with your child.
It is exciting to be partners with you through this educational journey.

Mrs. Nelson and Ms. Mariah
