January 13th, 2020

What's Happening:

Happy New Year! We hope you all had a wonderful holiday break and enjoyed your time with friends and family. Our first week back to school has gone very well. Everyone seems to remember our routine and schedule perfectly.

This past week we focused a lot on shapes and senses. We played a game using a mystery bag and our sense of feeling to match materials together. We used dice and bears to practice one to one correspondence during small group and geometry puzzles to learn some new shapes, such as octagon and pentagon!

Please continue to send appropriate outdoor clothing to school daily. As long as the temperature is above 20 degrees we will be going outside. Our playground tends to get really wet and muddy, so also keep that in mind when thinking about what to dress your child in. We do take the muddiness into consideration and if it is really wet we will go to the gym.

Special Days:

1/20/20- MLK Day- No School

1/30/20- Parent Meeting- 6 PM

2/13/20- Muffins with Moms (AM)

Reminders:

- Please make sure to check your child's mailbox each day for special art work and important information.
- If you know your child is going to be absent, please let us know by calling the office or texting us through the Remind App.
- Please send mittens to school as opposed to gloves, if possible.
- If Davison Community Schools are closed, St John Preschools will be closed as well.
