

# The Johnson Junction-

September 9th, 2019

## What's Happening:

**The first two weeks of school have been wonderful! All of the children seem to be adjusting well and catching onto the daily routine. We have started choosing a helper of the day and signing into our small groups, which the children are so proud of.**

**We eat snack family style. The children set their own place at the table, serve themselves snack, and pour their own beverage. They love having this responsibility!**

**As we continue to get to know each other, we will be putting together a family scrapbook. Please see the attached note for directions.**
