

Great Start Readiness Program News:

What's Happening:

The first day of school is always so exciting and sometimes scary! The children will be learning to work with each other as a community. We will most likely have some leaders, helpers and even some natural caregivers. This week will be all about our classroom routine and talking a lot about safety. We are using letter links which is a name learning system that pairs a child's printed name with a letter-linked picture of an object that starts with the same letter and sound. We will be diving right into the HighScope curriculum and learning the areas of the classroom and daily routine. Be on the lookout for our daily routine book which will be coming up with your child this week!

Special Days:

September 2nd - Labor Day No School

September 12th - Parent Meeting

Sept. 24th - Picture Day!

REMINDERS:

Home visits are a required part of GSRP, you will have one in the fall and another in the spring.

Please turn in completed ASQ's.

We are looking forward to a wonderful school year. Thank you for entrusting us with your child. It is exciting to be partners with you through this educational journey. sjohnson@stjohndavison.org or (810)652-0304
