October 2018

What's Happening:

This past month has flown by and we have enjoyed learning all about the children. Our "All About ME" book is almost done. Thank you for the pictures that have come in. The children have enjoyed sharing them. We are waiting on just a few more pictures of our friends and teachers.

If you have not yet brought in photos, please bring in 2-4 pictures (can be copy paper print) of things that are special to your child. Such as family members, pets or favorite activity.

A book about our Daily Routine is coming home so the children can share what they are doing during their day. They have all been doing a great job learning our schedule.

This month we will continue building our classroom community and discover lots of new things.

Special Note:

Mrs. Pumphrey will be teaching in my place next week and the following week. I will be on an adventure that was planned before taking this wonderful position. She has been participating in some activities, so the children get to know her. She is looking forward to spending time with your children.

REMINDERS:

Please sign-up for snack days. Our classroom snack binder is located on the tall square shelf inside of the classroom door. Please list your name and the snack that you will be providing. We are enjoying cheese sticks, fruit and veggies. Other favorites are crackers and goldfish. Please bring in for 10 children I will update you as our class grows. Thank you in advance for the YUMMY Nut free treats!

I would like to share my email and phone line here at St John's. If you have any questions and we can't connect in person, please don't hesitate to contact me.

We still have a few spots in our classroom if you know of any family, friends or neighbors with 4 year olds. We would love to help prepare them for Kindergarten!
